from time to time we all tend to wonder what sort of story our life might comprise what it means where it is going and whether it hangs together as a whole in the stories we are william lowell randall explores the links between literature and life and speculates on the range of storytelling styles through which people compose their lives in doing so he draws on a variety of fields including psychology psychotherapy theology philosophy feminist theory and literary theory using categories like plot character point of view and style randall plays with the possibility that we each make sense of the events of our lives to the extent that we weave them into our own unfolding novel as simultaneously its author narrator main character and reader in the process he offers us a unique perspective on features of our day to day world such as secrecy self deception gossip prejudice intimacy maturity and the proverbial art of living first published in 1995 this second edition of the stories we are includes a new preface and afterword by the author that offer insight into his argument and evolution as a scholar as well as an illuminating foreword by ruthellen josselson

why do conservatives tell stories because it helps them win elections and assail liberal policies like health care reform and economic stimulus why is important but the what and the how behind the stories that conservatives tell are equally interesting and in this new book david ricci reveals all he shows how conservative activists and candidates tell many tales that come together to project a large scale story a cultural narrative a vision of what america is and what

it should do to prosper socially economically and politically liberals by contrast tend to look for theories rather than stories for mathematical explanations rather than theological axioms for data rather than anecdotes and for statistics rather than homilies the difference is paradoxical liberals are unlikely to fashion sweeping narratives that capture the public's attention and commitment yet conservatives may tell attractive stories like the ones that got us into iraq that momentarily capture voter support but end up costing the country more than it can afford
